Funding provided in whole or in part by the Illinois Emergency Management Agency, Illinois Terrorism Task Force

Law enforcement and school officials must know how to proactively respond to online threats of school violence and mass shootings, especially when there is "Leakage" threatening students, the public, and school personnel. Being trained to identify the perpetrator immediately provides law enforcement and school officials the ability to act quickly and effectively to reduce the threat of school shootings and other forms of violence.

Training Objectives:

- Why it is important NOT to disregard information given to LEO or school officials.
- What the term "Leakage" means and how we can interpret the information.
- Learn free and open source online investigative tools into social networks and App generated phone numbers.
- Learn to identify and collect cyber evidence to identify suspects.
- Learn the three-step process in investigating internet crimes.
- Learn the importance of Preservation, Exigent Circumstances, and Search Warrants.
- Learn how to obtain IP's, screen names, screen captures, and email headers.
- State laws: Terrorist Threat, Falsely Making a Terrorist Threat, Swatting, and Causing a Catastrophe.
- Suspect search warrant, arrest, interrogation, and mental health evaluation.
- Examine a successful cyber-crime case study investigation from start to finish.

Instructor: Richard Wistocki

Detective Richard Wistocki (Ret.) has been a law enforcement officer for 30 years, with 28 years at the Naperville Police Department, and spending his last 22 years at Naperville as an Internet Crimes Investigator. Wistocki has been a SWAT operator/sniper for the past 22 years and is a founding member and an affiliate member of the Illinois Attorney Generals High Tech Crimes Bureau (ICAC). He is a Cyber Trainer for the National Association of School Resource Officers (NASRO) and is an instructor for the Department of Justice and various Law Enforcement Mobile Training Units and POST units across the United States. Wistocki is also the creator of the Illinois Sexting Law, Exploitation of a Child Online, Swatting and the new State of Illinois School Resource Officer Mandatory Certification Law.

Mandates: This training is certified by the ILETSB for the following law enforcement mandates: Civil Rights (3 hrs), Constitutional/Proper Use of Law Enforcement Authority (2 hrs), Crisis Intervention (1.5 hrs), Legal Updates (2 hrs), Procedural Justice (3.5 hrs), De-escalation Techniques (1 hr), Officer Safety Techniques, including cover, concealment, and time (1 hr), and Lead Homicide Investigator Recert (16 hrs), as well as SRO Pre-Qualified Active Threat Response (4 hrs), Juvenile Law (3 hrs), and Officer & Youth Interaction (3 hrs).
